

Step 1

Assemble the pole sections by pushing them firmly together.

Step 2

Insert the assembled pole into the sleeve at the base of the flag until it reaches the top.

Step 3

Attach the pole to the rucksack frame using the supplied mount.

Tip: Use the side pocket to hold your water bottle.

Step 4

Put on your rucksack, tighten all straps and adjust for a comfortable, secure fit. Your flag is now ready.

Care & Safety

Ensure all straps and the mount are secure before use.

Never position your flag where it could obstruct pedestrians or be a trip hazard.

Remove your flag in extreme wind or storm conditions.

Be aware of low doorways, branches and overhead obstructions.

Ensure your flag is visible and respectful in crowded areas.

Keep your flag clean and dry. Allow to dry before storing.
